

## **Hôpital Sacré Coeur: Founded in Love, Sustained by Hope**

**If all your knowledge of Haiti comes from current news stories, you might think there's no hope for its people. However, let me explain why you're wrong.**

For 57 years, Hôpital Sacré Coeur has been a beacon of hope, serving northern Haiti and the entire nation. Its story reflects Haiti's rich and remarkable history, as well as the resilience and ingenuity of its people. The hospital's tireless efforts have marked the start of a new era of peace, prosperity, and opportunities for personal and regional growth. In the face of adversity, the people of northern Haiti, alongside Hôpital Sacré Coeur, continue to march steadfastly toward a brighter tomorrow.

**I invite you to watch this powerful new video and see for yourself.**

**While Haiti's history is captivating and remarkable, the Hôpital Sacré Coeur and the Haiti Health Promise of the Holy Name community remain focused on the present and the future.** The foundation of our hope and strength lies in the extraordinary adaptability, tenacity, and ingenuity of the Haitian people. Even in the face of struggles, Haitians firmly believe that poverty, hunger, and disease will one day come to an end. In many cases, thanks to Hôpital Sacré Coeur, that dream has become a reality. This objective inspires us at Hôpital Sacré Coeur, where the resilience and adaptability of Haiti's people, along with the collective support of volunteers and staff from around the globe, have established a solid foundation for a better today and tomorrow.

**Doctors, nurses, technicians, engineers, teachers, builders, and volunteers speak different languages and come from diverse cultural backgrounds. Yet, they unite as one cohesive team with a singular mission: to support and advocate for those who might otherwise be forgotten.** Across the United States, steadfast donors and nearly 14,000 enthusiastic Feed Milot, Haiti Packathon attendees do their vital part to bring healing relief to the people Hôpital Sacré Coeur serves.

**Hôpital Sacré Coeur is not just a hospital; it's salvation for thousands who depend on it.** It provides jobs, food, shelter, and quality healthcare. In 2024, the hospital completed over 800,000 healing transactions, including excellent medical care, offering preventive health education, providing one million nutritious meals, and offering educational opportunities.

**Each year, Hôpital Sacré Coeur's infrastructure continues to grow stronger.** In 2025, the hospital upgraded and added hurricane-proof buildings, a solar-powered system for the NICU-Peds, and improved generators, along with services that extend far beyond healthcare. From community wells to nutritious food distribution and a 95-acre teaching farm, the hospital's impact reverberates across the region, solidifying its role as an economic driver and a force for good.

**The staff, volunteers, community, and donors who provide this extraordinary healing relief are a formidable force for good, a storm of kindness to be reckoned with.** This force, born of love, dedication, and compassion, is nurtured by an unwavering commitment to help others weather the past and present storms of Haiti until the better tomorrow they deserve arrives. **Hôpital Sacré Coeur represents what happens when ordinary people honor an extraordinary, sacred commitment to care for others, regardless of circumstances.**

**But the work is far from done.** The storms that Haiti faces—both literal and figurative—are not easily weathered. Hôpital Sacré Coeur’s staff, volunteers, donors, and community come together out of love, dedication, and compassion, driven by the determination to help Haiti heal, grow, and thrive. **But they can’t do it alone. No one can.**

This is where you come in. Together, we can make a difference. Every contribution matters, no matter how small. It doesn’t take much to change everything for someone who needs it. By joining hands with Hôpital Sacré Coeur, you can help deliver lifesaving care, bring relief, and build a future where prosperity replaces despair.

**Let’s honor this extraordinary commitment to caring for others, regardless of circumstances.**

**Please help Hôpital Sacré Coeur move Milot and northern Haiti closer to the better tomorrow its people deserve.**

**Please join us. Act now. Donate today.**

**Your support can transform lives and bring hope where it’s needed most.**

**It doesn’t take much for you to make a world of difference.**

**Thank you.**

With our most profound love and gratitude for you.
